

PRIME READ FOR COMMUTERS & VISITORS

This premium 10'6" x 36" double-sided digital display is positioned a half mile north of Highway 484 along Highway 200 in Ocala. Located at a busy local stoplight intersection, it offers great visibility and is surrounded by retail, restaurants, and popular nearby suburbs. Ocala, known as the horse capital of the world, boasts over 600 farms and ranches, making this a highly valuable advertising location.
